Handover questions — to discuss

Usual centre

Demo usual centre · Kuala Lumpur

Release contact to be confirmed

- ☐ What release procedure is needed for collection by 16:00 on 2026-09-19?
- ☐ Which identification and prior authorisation must the collector present?
- ☐ Whom should we contact if the collector is delayed?

Receiving centre

Demo · Garden Learning House

Receiving contact to be confirmed

- ☐ Who will receive the child, and where should the handover take place?
- ☐ What arrival time should we agree after pickup? Transfer duration is not yet confirmed.
- ☐ What collection and delay procedure applies when I return by 18:00?
- ☐ How should I provide identity, emergency and health information privately?

Transport / collector

Collector or transport contact to be confirmed

Institutional pickup requested

- ☐ Which named collector and vehicle will the institution arrange?
- ☐ How will the collector identify the receiving staff member and confirm the handover directly?
- ☐ Who should each centre contact if pickup or transfer is delayed?

General packing prompts

- ☒ A labelled bag, spare clothes and a water bottle.
- ☐ Check the centres' release instructions and agreed collection contacts.
- ☐ Check whether a meal or snack is needed for this care interval.
- ☐ Check bag labelling, child seating and what can be taken in the pickup vehicle.

Provider-sourced requirements

No specific packing or handover requirements are published in the current record. Ask the receiving centre.

Private information — complete on paper only

Provide identity, emergency and health details privately to the institution. These blank spaces contain no saved personal information.

Collector identification / authorisation reference

Emergency contact

Health, allergy or medication instructions for the institution

Preparation draft. Arrange provider agreement and institution-managed pickup authorisation separately. This sheet does not authorise collection. Ticked packing items mean prepared, not provider agreement.
